Eurobond® is the most sophisticated Cromwell Bonded Leather. The look, feel, and aroma of the world's finest leathers. *Aristo* embodies the deep see-through aniline coloring and the dressy glazed patina of Italian calf. *Sedona*, with the refined elegance of its matte luster and rich full grain feel, represents the best of English cobbler skins. *Flanders* is a casual, contemporary American look that highlights the natural grain of tumbled steer hide.

Excel-Tan® shows Cromwell innovation at its finest! This line of materials allow you to be daring and creative with their range of textures and colors.

Taratan II®, has a rich, elegant look that makes it the ideal cover choice for albums, bibles, photo books, journals, and luxury packaging. Produced from 100% cowhide leather fibers, it has a soft and smooth feel with a genuine leather aroma.
